

Brighton Marathon 2011

Extratime is excited to have secured five charity places for next years Brighton Marathon on Sunday 10th April 2011!!

If you are interested in running to support extratime and are happy to commit to raising a minimum of £500 we will pay the registration fee, provide you with a running vest with your name on it, and provide lots of support to help you raise funds. On the day itself Extratime families and staff will be cheering our runners on and we will be hosting a hospitality marquee with food, drinks and some special treats for our runners when they finish!

For more information, or to register as one of our five charity place runners, please call the office on 05601165690.

Alternatively, if you would like to support extratime as an 'own place' runner, where you pay your own registration fee and choose to raise funds for extratime without a commitment of raising £500, we would also greatly appreciate your support!

With cuts in our funding being announced these are difficult times for extratime and for the first time we are looking at having to make cuts to our services in 2011. Your support is very much appreciated and will be spent on maintaining our direct services.

All runners are encouraged to set up a 'just giving' web site page which makes it very easy to circulate to all your contacts by email and text so they can log on to our page and make an online donation. Just giving also then handle the gift aid part of the donation so we can reclaim the tax, making your efforts in raising funds even more beneficial! Please see the link on our web site to www.justgiving.org.uk where you can create your very own fundraising page! Very straightforward but sponsorship forms also available from the office if needed.

Thanks for your interest and support!
